Freshmen & Sophomores

Parent to Parent College Connection

is a group of parents whose students recently graduated from Greenwich High School and are now attending colleges and universities throughout the country. Our mission is to be an experienced parent resource by providing support to parents through the college admissions process. We are a group of parents offering a parents' perspective in an informal setting; we are not professional college counselors.

Our Goals:

- To offer practical tips
- To share our own experiences
- To help reduce stress
